

2020 Lamplighter HOA Annual Meeting

CALL TO ORDER:

Kat Barnard, President, called the meeting to order at 10:00 AM on March 21, 2020. A quorum was present which was verified by Rita Marquette and Gail Kustigian.

Meeting had to be held under the carport at 68 Walton Blvd due to the clubhouse being closed because of the corona virus situation.

SPECIAL THANKS:

Special thanks went out to the following outgoing board members:

1. Betty Giroux who has been on the board for 12 years
2. Wilfred Parsons who has served for 10 years

Many thanks for all their help and support during their time being on the board.

AGENDA FOR MEETING:

Because of the virus situation, the meeting only consisted of voting for our new candidates and no other issues were covered. Since there were only two candidates running for these two positions, there was a voice count instead of ballots.

INTRODUCTION OF NEW CANDIDATES RUNNING FOR BOARD:

Both of our candidates are new residents in our community over the past year. They both will bring new ideas and suggestions to our board which will help us all to grow. First candidate was Kerri Newby who lives at 54 Walton Blvd with her husband Michael. Our other candidate was Bill Hooker who lives at 143 East Piedmont Ave with his wife Rhonda.

VOTING:

Voice vote was held and both candidates were elected unanimously.

ADJOURNMENT:

With no further business to be done, meeting was adjourned for the reorganization meeting of the board.
